CONSULTING ENGINEERS OF ALBERTA

# SHOWCASE AWARDS

*Thank you!*

Consulting Engineers of Alberta would like to thank our member firms and external sponsors for their continued support.

For 28 years, the Showcase Awards have been celebrating the best in Alberta's consulting engineers sector. The awards have recognized engineers who have achieved excellence in their fields. At the Showcase Awards Gala, the winners are recognized for their innovation, expertise and leadership in Alberta's consulting engineers community. A young boy and a young girl are seen from behind, looking out over a vast cityscape from a high vantage point. The boy is wearing a dark blue baseball cap and a dark shirt, while the girl is wearing a purple tank top. A large, bright green circular graphic element frames the scene. The background shows a dense urban area with many buildings and streets.
