

Engineering Excellence Recognized at Showcase Awards Gala

For Immediate Release
February 11, 2019

“Eleven Awards of Excellence and eleven Awards of Merit were presented at the 23rd Annual Consulting Engineers of Alberta Showcase Awards Gala held February 8 in Calgary. Forty-seven projects were submitted this year from a cross section of Alberta’s consulting engineering firms. These awards recognize the best-of-the best in engineering design and innovation,” says CEA President Derek Ciezki.

“The winners this year reflect the exceptional minds in engineering who make a difference in the lives of all Albertans!” adds Ciezki.

During the evening, the Lieutenant Governor’s Award for distinguished service was presented to Mr. Art Washuta, P. Eng. “We are very proud to recognize Art for his long and distinguished career as a consulting engineer,” says CEA president, Ciezki. Art was a past president of CEA and also a member on the ACEC Canada board. “Art is very deserving of this prestigious award based on his contribution to our Industry,” commented CEO Ken Kozakewich.

Also in recognizing our young professionals, the Harold L. Morrison Award was presented to Diana Smith, P. Eng.; a mechanical engineer with DIALOG with four other highly qualified individuals nominated for the award. “One of the highlights of the Consulting Engineers of Alberta Awards Gala is to recognize the outstanding talents of a young professional,” says Derek Ciezki.

The Consulting Engineers of Alberta are an important part of our knowledge-based economy. In Alberta, over 80 member-firms of the CEA employ over 8,500 professional engineers, technologists and support staff and contribute over \$1.9 billion annually directly to Alberta’s economy.
