## *Red Deer College Presentation*

Hosted by: CEA Red Deer Young Professionals

**Are you an engineering technology student looking to get connected with members of industry? Curious what a day in the life of a Consulting Engineer is like?**

This event will include presentations and networking opportunities with engineering professionals. Come join the conversation and find out what Consulting Engineering is and where it can take you!

The presentations will include personal career path and experiences, example projects, lessons learned, and some good hearted career advice.

- Civil Engineering Technology
- Electrical Engineering Technology
- Instrumentation Engineering Technology
- Engineering Design Technology

This event will include a mixer and refreshments to follow the presentation.

**Tuesday, April 11, 2023**

**Red Deer Polytechnic (RDP)**

**Presentations: 5:00 PM – 6:00 PM (B501)**

**Networking Mixer: 6:00 PM - 7:00 PM (Far Side Bar)**

Please RSVP online, join the conversation, and see why a consulting engineer may be the perfect career for you!
