

## Engineering Excellence Recognized at Showcase Awards Gala

For Immediate Release  
February 21, 2020

“Twelve Awards of Excellence and fourteen Awards of Merit were presented at the 24<sup>th</sup> Annual Consulting Engineers of Alberta Showcase Awards Gala held February 21 in Edmonton. Fifty-one projects were submitted this year from a cross section of Alberta’s consulting engineering firms. “These awards recognize the best-of-the best in engineering design and innovation,” says CEA President Sean Snowden.

“The winners this year are exceptional examples of what can be done by Alberta’s consulting engineering community,” adds Snowden.

Details about the award winners can be found at [www.cea.ca](http://www.cea.ca).

During the evening, the Lieutenant Governor’s Award for distinguished service was presented to Mr. Bob Gomes, P. Eng. “We are very proud to recognize Bob for his long and distinguished career as a consulting engineer,” says CEA president, Snowden. Bob was a past president of CEA for the 2003-04 term. “Bob is very deserving of this prestigious award based on his contribution to our Industry,” commented CEO Ken Kozakewich.

Also in recognizing our young professionals, the Harold L. Morrison Award was presented to Andrew Lischuk, P. Eng.; a buildings engineer with Stantec Consulting Ltd. with four other highly qualified individuals nominated for the award. “One of the highlights of the Consulting Engineers of Alberta Awards Gala is to recognize the outstanding talents of a young professional,” says Sean Snowden.

The Consulting Engineers of Alberta are an important part of our knowledge-based economy. In Alberta, nearly 80 member-firms of the CEA employ over 8,500 professional engineers, technologists and support staff and contribute over \$1.9 billion annually directly to Alberta’s economy.
