New CEA President Appointed

For Immediate Release
May 13, 2021

Consulting Engineers of Alberta (CEA) is pleased to announce the election of its 2021-2022 President, Ryan Gidluck. Ryan is the Vice President of Morrison Hershfield's Transit Team. Ryan graduated from the University of Saskatchewan with a degree in Civil Engineering in 1996 and has over 25 years of engineering experience.

Ryan has been fortunate to take on many interesting roles in a wide variety of engineering projects from preliminary engineering studies up to mega projects. During his career, Ryan has managed the design, procurement and construction of transit infrastructure, roads and bridges, buildings, storm-water ponds, underground and overhead utilities and intelligent transportation systems. Ryan is an active member of the Project Management Institute, Engineers Without Borders and the Consulting Engineers of Alberta.
